

## Student activity Introduction

At U Link we are looking for well-rounded students who can contribute to our schools success and become productive members of society. This test will see how students function both independently and as part of a team, we are looking to see if students can show:

- Ability to communicate clearly and efficiently
- Ability to problem solve and work within a team
- Does the student show leadership skills and strong characteristics?
- Can the student inspire and motivate others?
- Ability to actively participate and show interest in learning new skills
- Ability to follow instructions and implement accordingly
